

I definitely want to continue receiving VOOM programming, VOOM's commitment & track record of providing HDTV, and VOOM HD LLC's desire to continue operating Rainbow-1 at the 61.5 frequencies. Also I'd like to remind you of the FCC's past rulings that side on increased competition and consumer choices; this is clearly in the best interest of the public.

Please let us continue to have a greater choice of Satellite providers, instead of the monopoly DIRECTV and Dish is trying to create.
